

**Allegheny County Labor Council, AFL-CIO**  
**LABOR OF LOVE ♥ STUFF THE BUS**  
**TOY DRIVE**

This year we celebrate our 18th Anniversary  
doing the Christmas Toy Drive,  
and every year it has gotten bigger and better  
because of you and your generosity  
to help those who are less fortunate.

So, we once again are asking that you bring in your unwrapped toy,  
gift card or donation to help us spread good cheer. We will be accepting  
toys at the Delegates meeting –December 7<sup>th</sup>,  
or, you can drop them off anytime at the Labor Council office  
between 9 am – 4 pm,  
or, arrange with Jim Blatnick  
for a pick up at your location.

Port Authority has agreed to send a bus for us  
to fill and we want to do our best to do just that.

Santa will be there on December 7th to help fill the bus,  
come on over to the IBEW Local 5 parking lot, before the meeting,  
say hi to Santa and drop off your goodies.

When we began this project, we had in mind that it would be only  
for those members on disability, laid off or locked out. Due to the  
generosity of so many, that project has grown into an outreach  
for the entire community as well.

But please make no mistake – our members come **first** and  
if you have a need please contact Jim @ (412)456-6850  
and let him know how he can help  
you during this holiday season.

~~ **Santa thanks you and so do we** ~~
