FIGHTING TO PROTECT SOCIAL SECURITY AND MEDICARE!

December, 2019

No formal program this month. Just a short business meeting than time to get together and visit and think about what we want to do in the coming year. Bring a desert to share if you want.

Great Plute Freak out of 2019

Writing in Time magazine, editor at large Anand Giridharadas points out that as the chances of a candidate outside the neoliberal consensus winning the Democratic nomination have increased, Plutocrats are freaking out, warning about the dangers of a Sanders or Warren presidency. Although their motivation is clear – not wanting to lose their money to the federal government—that is not how they argue it. They argue that taxing wealth would limit philanthropic efforts in medical research, or limit the good works overall that they do. The fear has extended to billionaire Michael Bloomberg who is launching his own bid for the Democratic nomination. Billionaires will have no worries if the choice is between billionaires. Or at least one billionaire and a maybe billionaire.

Weather cancellation. If the York Area School of Technology is closed or delayed due to weather, our meeting is cancelled. You can also check www.iam98.org, click on Retiree Action Group at the top of the page, or call 717-600-1198 ext. 7 for retiree recording.
